

Delhi Public School Agra

UNDER THE AEGIS OF THE DELHI PUBLIC SCHOOL SOCIETY

27:04:2020

Dear Parents

Jai Hind.

Trust you are safe and sound with your family in these troubled times and are following government direction with regard to lockdown.

Few parents have reached us asking about decisions on school fees. We would like to bring the following facts in the knowledge of all parents to avoid any confusion.

- Uttar Pradesh Government has so far issued two letters {enclosed} which are self-explanatory.
- Please do not believe in any media news including social media news or group chats or forward messages as we would ourselves share the authentic government letters.
- So far government has issued letter (i) to take fee on monthly basis (ii) not to charge transport fee for lockdown period.
- We expect more government letters or even court orders to come in near future on school fee.
- Looking to the circumstances we pray that school re-open as soon as the lock down is lifted as in many cases both parents are working, and they need their ward in the school.

We request parents to please

- ❖ Wait for things to settle down and for final government/court orders with regard to fees. School is committed to abide by final government/court orders in the matter.
- ❖ Parents who have already paid or wish to pay now will automatically be covered under final orders as mentioned above.
- ❖ Parents {who are in position} are humbly requested to pay on account school fees online. They may contact on dpsaccounts@dps.ac.in to get any help in this regard.

Please remember that you have entrusted your child to us, and we would never ever let you down.

Stay home, Stay safe. This too will pass.

Team DPS Agra
